Assistant Professor – Organic Chemistry- University of South Florida

Description

The Department of Chemistry at the University of South Florida (USF) celebrates diversity and inclusive excellence among our faculty. We seek to fill a 9-month, tenure-earning, full-time position at the rank of assistant professor with a research focus and teaching requirement in organic chemistry. The position is expected to start August 7, 2024 on the Tampa campus, with a competitive salary and start-up package. The ideal candidate will establish a strong, externally funded research program and must contribute to teaching at undergraduate and graduate levels. This position is subject to a Level 1 criminal background check. Review of Applications will begin October 1st, 2023.

How To Apply: https://gems.usf.edu:4440/psp/gemspiro-tam/EMPLOYEE/HRS/c/HRS_HRAM_FL.HRS.CG_SEARCH_FL.GBL?Page=HRS_APP_JBPST_FL&Action=U&FOCUS=Applicant&Siteld=1&JobOpeningId=35004&PostingSeq=1

Complete the online application and attach the following into ONE document: • Cover letter • CV/Resume • Research statement (max. 5pp) • Teaching statement (max. 3pp) • List of 3 references**Please request that your references submit their letters of recommendation directly to Kaelah Scheff at krscheff@usf.edu with your name in the subject line. Only online applications are accepted for this position. According to Florida law, search records, including applications and search committee meetings, are open to the public. We strongly encourage female and minority candidates to apply. Equal Employment Opportunity USF is an equal opportunity, equal access academic institution that embraces diversity in the workplace. Conclusion of this search is subject to final budget approval. USF is an Equal Opportunity/Equal Access Institution. For disability accommodations, contact Kaelah Scheff at krscheff@usf.edu or 813-974-4550, a minimum of five working days in advance.
